PROFESSIONAL SUMMARY

Detail-oriented Virtual Assistant and Data Analyst with 3+ years of remote work experience supporting international teams across marketing analytics, access management, and business operations. Adept at transforming raw data into clear, decision-ready reports using Power BI, SQL, and Excel. Experienced in calendar and email management, process documentation, and AI-powered productivity tools. Reliable, self-managed, and committed to delivering high-quality output across time zones.

CORE COMPETENCIES

Virtual Assistance & Remote Support • Data Analysis & Reporting • Power BI Dashboard Creation • SQL & Database Management • Email & Calendar Management • Member Behavior Analysis • Marketing Analytics • Process Documentation • AI Tools & Automation • Stakeholder Communication • Access & Identity Management • Cross-functional Remote Collaboration

TECHNICAL SKILLS

Analytics & BI: Power BI, Power Query, DAX, SQL, Microsoft Excel

AI & Productivity: ChatGPT, Claude, Gemini, Microsoft Azure

VA & Remote Tools: Slack, Lark, JIRA, ManageEngine, Google Workspace, Microsoft 365

Enterprise Systems: ServiceNow, Saviynt, OKTA, SAP, Workday, IGT Advantage

Programming: SQL, PHP, HTML, CSS, JavaScript, Python

WORK EXPERIENCE

Data Analyst – Marketing | *Casino Plus* | *Stotsenberg Leisure Park & Hotel Corp.*

Jan 2026 – Jul 2026

- Built and maintained Power BI dashboards to monitor member account health metrics, surfacing anomalies for Department Heads
- Delivered weekly/monthly pacing reports and Member Behavior Analysis to guide targeted marketing campaigns
- Authored pro forma and postmortem reports evaluating the ROI of promotions, programs, and events
- Fulfilled ad hoc data requests, translating raw SQL data into clear, executive-ready insights

Global Access & Identity Management Specialist | *VXI Global Solutions*

Jan 2023 – Dec 2025

- Managed login credentials, user authentication, and system access permissions for enterprise clients via ServiceNow, Saviynt & OKTA
- Provided remote client support through email and ticketing systems, resolving access issues within SLA targets
- Maintained employee databases, job role records, and conducted periodic access audits for compliance
- Collaborated remotely with global IT teams to improve access control workflows and documentation

Backend Web Developer – Virtual Internship (486 hrs) | *Melham Construction Corp.*

Mar 2022 – Jul 2022

- Built server-side components in PHP/MySQL in a fully remote setup; handled debugging, hosting config, and deployment

Releasing Staff – Encoder / Checker / Picker | *Nestlé North Distribution Center (via Fast Services Corp.)*

Jul 2013 – May 2018

- Encoded and reconciled stock movement data, generated arrival notices, and ensured accurate goods issuance in enterprise systems

EDUCATION

Bachelor of Science in Information Technology | *Pampanga State Agricultural University*

2018 – 2022
